

The Place To Be

Bayview Harbour is the place to be,
A perfect location by the sea.
A tropical haven, set on 15 acres,
Who will be the lucky last partakers,
of the remaining few homes so spacious.

A United Nations of friends have gathered, to find,
A whole new way of life, offering peace of mind.

There's no better investment in oneself, to be had,
and Bayview is no passing fad.
From Broadwater, Leeward and Les Colonnade,
whichever you choose, you'll know you've got it made.
Come and daydream over our spectacular views,
of the Surfers skyline with its beautiful hues.
Try the gym, tennis or a relaxing spa,
our pools and gardens are the best by far.

The magnificent Marina can honestly boast,
there's no safer home for your boat,
on Australia's Gold Coast.

I hope you'll decide, to come and join me
on a cruise through life with camaraderie.
Yes, it's Paradise I've found, beside the sea,
Bayview Harbour is the place to be!
